No. 29/2021

APPROVED

With the decision of Alūksne municipality council

Decision No. 334 of 25.11.2021

(Protocol No. 18, Clause 12)

Amendments to the Alūksne municipality council by-laws No. 5/2020 of 27 February 2020 “On licensed angling on Lake Alūksne”

*issued based on Article 10 (5) of the
Fishery Law*

To introduce the following amendments to the Alūksne municipality council by-laws No. 5/2020 of 27 February 2020 “On licensed angling on Lake Alūksne”:

Paragraph 14 shall be replaced by the following:

“14. Content and design of the license (examples in Annex 2) – type of license, series and number, price, expiry date, name of the water body concerned, details of the organiser of licensed angling, crayfish hunting or underwater hunting, the signature of the license issuer (excluding for electronic licenses), the license holder and his/her personal code, telephone number and electronic mail address to be used for communication, and the signature of the license holder (excluding for electronic licenses) and the date of issue of the license.”

2. Paragraph 16 shall be replaced by the following:

“16. The form of an electronic license may differ visually from the license form in the Annex to the Regulation, but shall contain all the particulars referred to in paragraph 14 of this Regulation, with the exception of the signature of the issuer and the license holder. The electronic license is not required to be printed and its existence is verified by its number.”

As regards paragraph 3.17:

- 3.1. to insert the second sentence of paragraph 17.1 in the following wording: “The up-to-date information on license purchasing is available here: www.aluksnesezers.lv”;
- 3.2. to delete the following wording from paragraph 17.2, 17.3 and 17.4: ‘except for licenses for reduced fees’.

4. Delete Paragraph 19.
5. Paragraph 23 shall be replaced by the following:
“23. All license holders, regardless of the type of license, must record their catches immediately after each catching of a pike or zander (if intended to be kept), indicating the date, species of fish, size of catch (number and weight of fish), recording these in the table shown on the other side of the license; for electronically purchased licenses – in the section ‘Catch registration’ of the relevant site.
6. Paragraph 24 shall be replaced by the following:
“24. A statement of the catch records shall be provided within five days of the expiry of the license.”
7. Paragraph 28 shall be replaced by the following:
“28. Ensure that angling licenses are available in accordance with paragraphs 17 and 18 of this Regulation.”
8. To delete the following phrase contained within paragraph 30: ‘situated at each point of sale of licenses’.
9. Paragraph 36 shall be replaced by the following:
“36. To record persons who have infringed the procedure for documenting the caught fish; and, using the telephone number or e-mail address indicated in the license, notify such persons of their obligation to submit a review of caught fish within 14 days. If the person fails to submit a review of the caught fish within the granted period of time, the organiser shall inform the authorities in charge of fish resource protection and monitoring of the infringement found.”
10. To amend Annex 2 in a new version (Annex 1).
11. To amend Annex 3 in a new version (Annex 2).
